

**BUSH  
DREAMS**

Native Australian Flavours

# Native Australian Seasoning Rubs

Bush Dreams Rubs have been designed to give you the opportunity to use native Australian ingredients with a simple application. Taking into consideration the additional strength of the base herb, Pepperberry; we have carefully combined them with complementary conventional ingredients to create an easy to use yet incredibly unique product that tastes great. Pepperberry Rub is great with red meats and fish, chicken or pork.
