

Great for Summertime Grilling!

Quail, Semi Boneless, All Natural With Pin
Product #KJ716 • Size 24 x 4 oz.

This Quail is sleeve boneless meaning all bones have been removed except for the wings and drumette of the leg. This is all done while leaving the body cavity intact making it the perfect knife and fork item for stuffing and baking.

Quail Breast, Boneless, Marinated
Product #KJ736 • Size 24 x 5.5 oz.

Boneless Quail Breasts are perfect for many types of preparations and are pre-marinated to maintain moisture and enhance the flavor, try these skewered and grilled or fried.

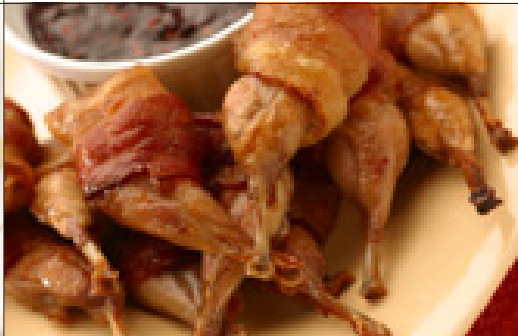

Quail, Whole, Butterfly Cut, All Natural
Product #KJ734 • Size 24 x 5 oz.

This quail is bone in and split down the backbone leaving the breast intact and in natural form making it a more economical option than the semi-boneless option and providing a dramatic plate presentation.

Quail Breast, Boneless, Marinated, Bacon Wrapped
Product #KJ694 • Size 84 ct.

This Bacon Wrapped Quail Breast is completely boneless. The quail is marinated before being hand wrapped and individually frozen. There is no toothpick so it must be baked, grilled, or fried from frozen in order for the bacon to stay in tact.

Quail Leg, Partially Boned, Marinated, Bacon Wrapped
Product #KJ706 • Size 80 ct.

This Bacon Wrapped Quail Leg has the thigh bone removed so the first bite is boneless and the only bone left is the drumette which acts like its own little handle. The quail is marinated before being hand wrapped and individually frozen. There is no toothpick so it must be baked, grilled, or fried from frozen in order for the bacon to stay in tact.

Quail, Leg, Partially Boned, All Natural
Product #KJ742 • Size 150 ct.

Quail legs take well to marinades and bold seasonings, and the legs are a perfect size for passed or plated appetizers and can be prepared in a variety of ways.
