

# St. Patrick's Day

*Add a twist to your  
Corned Beef and Cabbage Menu  
with Corned Buffalo!*

**Buffalo Corned Eye Of Round Fully Cooked Unsliced**  
Product # KA348 • Size 2 x 12 lb. per case

Our all natural buffalo are free range animals from Colorado. These buffalo are finished on corn and therefore have a very mild, sweet and rich flavor. The hand selected eye of round is brined with a traditional pickling spice and is then fully cooked. The eye of round is very lean and easy to slice for service.

**Potato Red Skin Carved Mushroom**  
Product # KF648 • Size 75 pieces per 5 lb. case

These red skin potatoes are carved by hand and are approximately 2 inches long. They are then vacuum sealed and shipped overnight so that they do not oxidize.

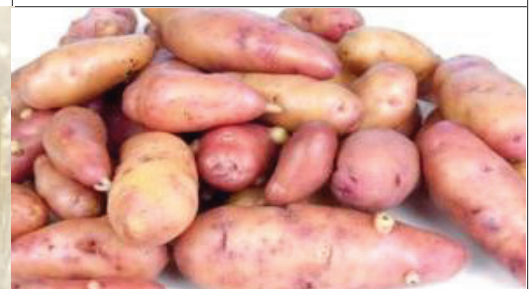

**Potato Russian Banana Fingerling**  
Product # KG844 • Size 10 lb. case

Fingerlings are labeled as such for their elongated shape. They are loved for their earthy flavors and skins that are thin and delicious as well. Roast whole or slice in half for preparation. Russian banana fingerlings have a very creamy texture and buttery yellow flesh. Approximately 8-10 potatoes per pound, 3" in length, and 1" in diameter.

**Carrot Baby Mixed Peeled 1" Top Red White Yellow**  
Product # KG768 • Size 120 each, 5 lb. case

These fresh tri-color carrots are peeled by hand and are approximately 4 inches long including the top. They are then vacuum sealed and shipped overnight so that they do not oxidize. These can be blanched and then reheated for service or are delicious roasted whole. This is a great and easy way to add some color to your St. Patrick's day dish!

**Potato Thumb Red Fingerling**  
Product # KG842 • Size 10 lb. case

Fingerlings are labeled as such for their elongated shape. They are loved for their earthy flavors and skins that are thin and delicious as well. Roast whole or slice in half for preparation. Tom Thumb fingerlings have a blush skin as well as flesh and a crisp, slightly nutty and sweet flavor. Approximately 8-10 potatoes per pound, 3" in length, and 1" in diameter.
