

# The Gilded Nut

*Fancy snack co. Est. 2012*

The Gilded Nut Snack Company works with small California farms to procure the finest, jumbo pistachios available. They are allowed to ripen on the trees, so that the nuts open naturally. After being perfectly roasted, they are coated with a first cold pressed extra virgin olive oil, then tumbled in hand selected herbs and spices.

**Pistachio Original Blend**  
2.25 oz  
Dry Roasted In Shell
