Paste Cumin Harissa Mild
Product# JC764
Size 2/8 oz Jars

An American twist on Harissa Chili Paste, using cumin as the primary ingredient in place of tomatoe and hot peppers. This can be used as a marinade for grilling, or as a finished sauce. Can also be mixed in to olive oil for dipping naan bread.

Seasoning Dry Rub Cumin Harissa Mild
Product # JC772
Size 22 oz. Container

Replacing the hot peppers and tomatoes with cumin and Spanish Paprika, it becomes more versatile and familiar to the American palate. This can be used as a dry rub for chicken, seafood or steaks or even as a flavor enhancement for a soup, tajine or sauce.

Seasoning Dry Rub Cumin Harissa Mild
Product # JC774
Size 4 x 2.5 oz. Shakers

This is a great condiment to use to season everything from a rice or cous cous dish to even french fries or fried calamari. This convenient shaker size can even be placed on the table for those who want a little extra flavor!
